

Expression of Interest – Sessional Diabetes Educator (Recruitment Pool)

Diabetes WA is WA's peak body representing those at risk or impacted by diabetes in Western Australia. Our work has one single focus – to minimise the impact of diabetes through prevention or management of the condition so that Western Australians can lead a better quality of life.

Due to expansion and the growing demand for diabetes services, Diabetes WA is currently seeking to create a pool of experienced and qualified allied health professionals to join their friendly team. Our Diabetes Education Services team delivers a range of group education sessions, advice and one-on-one consultations to a variety of people with, or at risk of, diabetes.

We encourage you to apply and be part of this pool if you are:

- An experienced Diabetes Educator
- An accredited practising Dietician

The primary role of the Sessional Diabetes Educator is to deliver education to self-management groups in a community setting.

We would love to hear from you if you have:

- Clinical experience in diabetes management
- Excellent presentation and public speaking skills
- Credentialed Diabetes Educator status or working towards credentialing status
- Experience in the delivery of group training/education programs for clients/health professionals
- Are able to work out of normal working hours occasionally (for kids activities or adult education program)
- Demonstrated ability to work independently and in a multidisciplinary team
- Excellent communication and interpersonal skills including experience in developing collaborative partnerships and the ability to build on established networks
- A current driver's licence
- A current Working with Children Check

If you are a motivated individual who wants to make a difference for people living with diabetes and its impact, email your resume and cover letter to Rena.Galambos@diabeteswa.com.au or mail to Level 3, 322 Hay Street Subiaco WA 6008. For position enquiries please call Susan Ng, Diabetes Education Services Manager on 9436 6120.
