

Expression of Interest – Chinese-and Vietnamese-Speaking Facilitators

Diabetes WA will be conducting group education programs for people with Type 2 Diabetes to cater for the Chinese-and Vietnamese-speaking communities in the Perth metropolitan area.

Diabetes WA is calling for expressions of interest from Diabetes Educators, Dietitians, Pharmacists and Physiotherapists who are fluent in Mandarin, Cantonese or Vietnamese to facilitate modules in the Type 2 Diabetes Education Program. Facilitators should preferably have an ADEA approved diabetes education qualification, however those with a demonstrated strong background in diabetes education will be considered.

Program background:

- Facilitation of full program (6 modules) or partial program (1-5 modules)
- Each program will be conducted over on the same day and time over six consecutive weeks

Skills that will be highly regarded includes:

- Excellent presentation and public speaking skills
- Demonstrated ability to appropriately apply diabetes knowledge to client education as appropriate
- Experience in delivery of group training/education programs for clients/health professionals
- Experience in or knowledge of working as a Diabetes Educator
- High level communication skills, both oral and written
- Excellent organisational skills
- Demonstrated ability to work independently and in a multidisciplinary team
- Excellent communication and interpersonal skills including experience in developing collaborative partnerships and the ability to build on established networks
- Applicants must have a current drivers licence and ability to use their own vehicle

Programs will be conducted between February and September 2011 and will be held during and after normal working hours.
