

**ndss**

National Diabetes Services Scheme  
An Australian Government Initiative

# DIABETES SUPPORTED

The NDSS can help provide the support you need to live well with diabetes. Visit your local health centre and ask to join [ndss.com.au](http://ndss.com.au)

- resources developed with community, for community
- community education events
- cheaper diabetes products anywhere in Australia

To find out more  
call 1800 637 700  
or visit the website.
