

# Have Diabetes?

## Live well and save money with the NDSS Card

The National Diabetes Services Scheme (NDSS) can help you save money with free and discounted diabetes products from pharmacies across Australia. It will also let you access free services and support from Diabetes Australia to help you live a healthier, more active life. If you have any type of diabetes and have a Medicare card, you can get the NDSS Card.

Get the NDSS Card today. Ask your doctor or health professional, visit **ndss.com.au** or call the NDSS Helpline **1800 637 700**.
