The image shows a registration form titled 'Basic Info' and 'Custom User Data'. The 'Basic Info' section has two text input fields: 'First Name: *' and 'Last Name: *'. The 'Custom User Data' section contains several fields: 'Title' (dropdown), 'Profession: *' (dropdown), 'GPs only - Please indicate the accrediting organisation to which your CPD/PDP attendance needs to be reported:.' (dropdown), 'Health Professional Registration Number* (this is the number that will appear on your certificate for CPD points): *' (text input), 'Name of practice/workplace:.' (text input), 'State: *' (dropdown), and 'I acknowledge that (if required) notification of course completion will be provided to my professional association for the purpose of recording CPD: *' (dropdown). A green 'Save' button is at the bottom right. Three red callout boxes with arrows point to the 'Last Name' field, the 'Profession' dropdown, and the 'Save' button.

1. Enter first name and last name.

2. Enter user data. Note mandatory fields are marked with a red asterisk.

3. Click Save.

6. You will be directed to the portal Dashboard where you can access the Pre-pregnancy planning and care for women with diabetes eLearning course.

The image shows a dashboard for the NDSS eLearning Portal. At the top, there is a search bar and a user profile icon (SB). Below the search bar is a 'Dashboard' menu. The main content area features a large banner with the NDSS logo, a photo of a woman and child, and the text 'Welcome to the Pregnancy and Diabetes e-learning Portal'. Below the banner, there are two statistics: '1 Enrolled Courses' and '0 Completed Courses'. A course card for 'Pre-pregnancy planning and care for women with diabetes (2021)' is displayed, showing 'Not Started - Enrolled on 04 May 2021', '4 Modules', and '0%' progress. A 'Start' button is at the bottom right of the course card. A red callout box with an arrow points to the 'Start' button.

Click here to start the course.

7. Work your way through the three modules and the eLearning evaluation in order from 1 to 4.

The screenshot shows the NDSS eLearning interface. At the top, there is a blue header with the NDSS logo, a search bar for enrolled courses, and a user profile icon labeled 'SB'. Below the header, a 'Next Module' button is visible. The main content area is divided into two sections: 'Course Contents' on the left and 'Pregnancy and Diabetes' on the right. The 'Course Contents' section includes a 'Return to Dashboard' link, the course title 'Pre-pregnancy planning and care for women with diabetes (2021)', a progress bar showing 0%, and a list of four modules: 1. Pregnancy and Diabetes, 2. Preconception Counselling, 3. Pre-pregnancy Care, and 4. eLearning Evaluation. The 'Pregnancy and Diabetes' section displays the title 'Module 1: Pregnancy and Diabetes', a learning objective, and two numbered tasks. A 'Start' button is positioned below the tasks. Three red callout boxes with arrows provide instructions: one on the left points to the progress bar, one at the bottom points to the 'Start' button, and one on the right points to the 'Next Module' button.

Your progress will show

Click here to go to the next module or select the next module from the menu at left.

Click here to start the first module.

8. When you complete the three modules and the eLearning evaluation you will have the opportunity to download a certificate. You will also receive an email with the certificate attached.
